Dedication

The staff of the Warrior '84 proudly dedicates this yearbook to an elementary school teacher who has been a part of our school system for many years. MRS. CLEOTA JEAN AVRA, now a fourth-grade teacher, began her local career on the Norman High School faculty as a business education teacher. She held that position until consolidation, except for four years off when her sons were young. She has taught in the Caddo Hills Elementary School since its organization.

MRS. AVRA was born and grew up in Norman, the youngest of four children in the R.O. Reece family. She graduated from Norman Public Schools in eleven years. In those days she was lovingly known as "Papoose" by the people closest to her!

Upon graduation from high school, Mrs. Avra first attended Ouachita Baptist University, and then transferred to the University of Central Arkansas. She received her bachelor's degree in business education from UCA and has since attended Henderson University and other schools and workshops to qualify in elementary education and to stay up-to-date in her field. Following her graduation, she taught one year in Enola Elementary School. Next came two years of secretarial work in San Antonio. Upon her return to Arkansas, she joined the staff at Norman.

Jean and Tom Avra of Conway weremarried the summer following her junior year at UCA. They have two married sons, Ron and Mark, and one young granddaughter Mariel, a true delight! Mrs. Avra is justly proud of their cattle/poultry farm, located on the place where she grew up.

A member of the Norman Baptist Church, she teaches the older ladies Sunday School Class. One of her favorite activities is visiting these ladies and sharing the fruits and vegetables she has grown.

Mrs. Avra has touched the lives of countless students of the past and present schools in this area, and they have certainly been blessed by the association with her. We wish her as many more pleasant years at Caddo Hills as she chooses to enjoy!

In the pictures above, Mrs. Avra is shown "on the job" in her fourth-grade classroom and at the Halloween Carnival, preparing to shoot a basketball. In the classroom and out, she always has the best interests of students and school at heart.

FAREWELL

MEMORIES

by Glendella S. Roberts

We're close, we're friends.

Why? We're seniors, and we have the same memories.

Starting in kindergarten, up into this year,

We have spent many years together,

Over half the life we have already lived.

We've stuck together as a class, as a group, as a whole.

We've learned many valuable things here at Caddo Hills

That will always be with us, through thick and thin,

Through our whole lives, even until the end.

We're going to go our separate ways,

But we'll always have the memories of the past years to rely on,

As a type of living bond. Our memories will live on

As long as one of us is alive.

Alma Mater

In the Caddo River Valley,
Reared against the sky,

Proudly stands our alma mater
With her banner high.

'Tis to her we pledge allegiance,
conquer, and prevail.

Hail to thee our alma mater
Caddo Hills all hail.
